inset bathtub catalogue

Infinite inset bathtubs are designed to suit any contemporary bathroom.

Infinite inset bathtubs are crafted using the highest quality sanitary grade acrylic available. A unique feature of our inset bathtubs is its galvanised support frame which eliminates the use of sand and mortar bed for support.

Infinite inset bathtubs provide strength and support in a sensible and stylish solution.

This brochure is to be used as a guide only.

All dimensions are in millimetres and are subject to standard manufacturing variations.

Infinite Bathroom Solutions reserves the right to change any or all specifications without prior notice.
